Generations Map

Use the Generations Map tool at every gathering to see clearly your harvest fields and No Place Left progress. We train every disciple as mission strategy coordinators. We all have the Holy Spirit in us to reveal our Father's will. He will use all of us His way to reach the world.

People of Peace (people/arrows): Draw your disciples and their disciples. Share recent stories of how you and your team are engaging lost people.

Baptism (waves): Update your map with those who have been baptized. What is the next step for each disciple who still needs to be baptized or become a baptizer by experience?

Generations (number lines): Update your map with generations. How can we pray for this movement?
