

ENTER INTO HIS REST

Skill

Enter into His Rest is honoring the Harvest Lord's sabbath: enjoying fellowship with Yahweh, having fun with our families, and receiving rest and refreshment.

Design

Enter into His Rest (relaxing laborer) > The picture of a shepherd laying down his staff and resting in a beautiful place beside a flowing river illustrates our desperation to heal and refresh with the Lord as we labor for His coming kingdom in a spiritual warfare mission environment. The **sketch** is an overflowing well illustrating how a disciple bears fruit out of time with God.

Story

Yahweh Our Shepherd (Psalm 23:1-6)

This song demonstrates Enter into His Rest as a kingdom skill because we clearly see King David describing a fruitful relationship with the Lord as rest, nurturing, healing, deliverance, and fellowship. Even in the face of death, rest and peace are available to every disciple through Immanuel's presence. Yahweh is our Defender; He guides and protects His followers. We walk in His anointing and blessing, and we overflow with joy at His goodness.

Scriptures

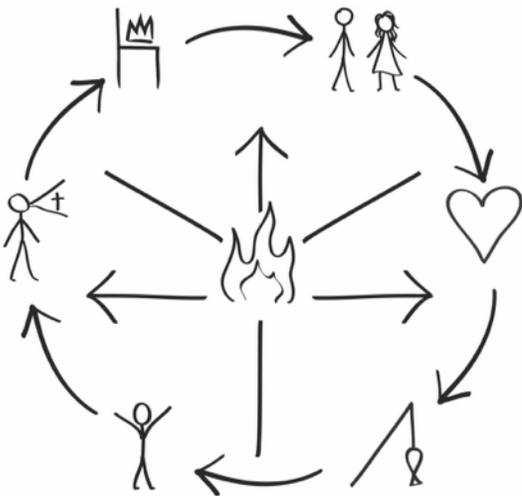

Hebrews 4:9-11 > There remains, then, a sabbath rest for the people of God; for anyone who enters God's rest also rests from their works, just as God did from His. Let us, therefore, make every effort to enter into that rest, so that no one will perish by following Israel's pattern of disobedience.

Matthew 11:28 > Come to Me, all of you who are weary and burdened, and I will give you rest.

Lesson Summary

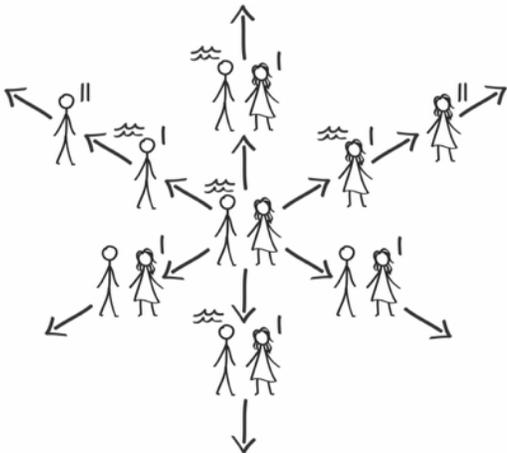

Enter into His Rest requires great humility and discipline: we must lay down our righteous works and mission activity to receive His peace and fill up with His Holy Spirit's fruit and gifts. Father Yahweh promises abundant blessing and delight to all who learn to rest and delight in Him (Isaiah 58:13-14). Yahweh's rest is a School of Trust and Stronghold of Strength (Isaiah 40:28-31). We seek the King and His kingdom first in everything, and He cares for our needs (Matthew 6:25-34). Prayer is powerful and overcomes worry (Philippians 4:4-7).
