

JESUS' STORY

ACTS 1:1-11

+ Jesus' Story Training +
Acts 1:1-11

Father's Heart (heart) >> Our Father's heart is for everyone to be saved, to know the truth, and to be with Him forever in Heaven (1 Timothy 2:4).

Running Away (running person) >> Every person has run away from God and fallen short of His glory. We cannot enter His holy presence with our sin (Romans 3:23).

Brokenness (wavy lines) >> When we live for ourselves, we become broken through lust, pride, anger, ambition, division, ranking, envy, addiction, and pursuing pleasures that do not satisfy (Galatians 5:19-21).

Believe & Come Home (kneeling and praying) >> We believe in the Messiah, repent of our sins, and turn back to God. He will wipe away our sins and refresh us with His presence (Acts 3:18-29).

King Jesus' Sacrifice (arrows and crown) >> Jesus left Heaven and came to earth as a man, lived a perfect life, suffered and died on the cross, rose from the dead, ascended back to Heaven, and will return as King to judge the world (Philippians 2:7-11).

Restoration (praising person) >> When we call on Jesus, we will be saved. And He gives us the gift of the Holy Spirit upon us for boldness to be His witnesses in our community and nation, to the outcasts, and to the ends of the earth (Acts 1:8).

Follow Jesus (cycle arrows) >> We count the cost of following Jesus. We will suffer for His name and be persecuted. After we are saved, we still sin and struggle. As we follow Him, we must learn to keep in step with His Spirit (Galatians 5:25).
